Cross Kits for Your Church, VBS, or Youth Group

A hands-on build with a lasting message — every child makes a real nail cross with their own two hands.

Colossians 2:13–14
"…having forgiven you all trespasses; blotting out the handwriting of ordinances that was against us… and took it out of the way, **nailing it to his cross**."
Printed on the verse card inside every kit.

How It Works

- **A real cross, built by real kids.** Each child wraps two genuine horseshoe nails with colored wire to form a cross, then adds a black necklace cord.
- **About 10 minutes per cross.** Simple, satisfying, and sized just right for a VBS craft station or youth-group night.
- **Everything is in the pack.** Nails, wire, cord, a Colossians 2:13–14 verse card, and a step-by-step instruction sheet in every single kit.
- **A keepsake, not a throwaway craft.** Kids keep their cross or give it to someone they love — many give theirs away the same day.
- **Adult supervision required.** Real nails are part of the build; a leader or parent guides each table.

Perfect for: Vacation Bible School • youth group nights • children's church • Sunday school • Christmas programs & gifts • outreach events

Group Packs — Priced for Churches

CLASS PACK	GROUP PACK	CONGREGATION PACK
25 kits	50 kits	100 kits
$99	**$179**	**$329**
